Action taken report on feedback taken by the college

Minute :- Detailed point wise assessment of the feedback.

A joint meeting of the college administrative and academic committee under the chairmanship of principal.

All 15 points of the feedback was evaluated by the members. The students response was found almost satisfactory in all the response. Most of the students responded with good or satisfactory for learning and curriculum provided by the college. Students also responded with very good in terms of student-teacher relationship. Students response was not satisfactory to the availability of computer in the college.

It was decided that for the next academic session more computer system will be provided to the students and for same a detailed requisite to be sent to university for further action.
